Introduction to CTPA

CTPA represents all types of companies involved in making, supplying and selling cosmetic and personal care products, acting as the voice of the UK cosmetics industry.

We promote best practice and advise companies about the strict legal framework for cosmetics.

We are proud members of Cosmetics Europe, where the UK cosmetics industry continues to operate within Europe.

EU COSMETICS REGULATION:

•Placing on the market means the first making available of a cosmetic product on the internal market

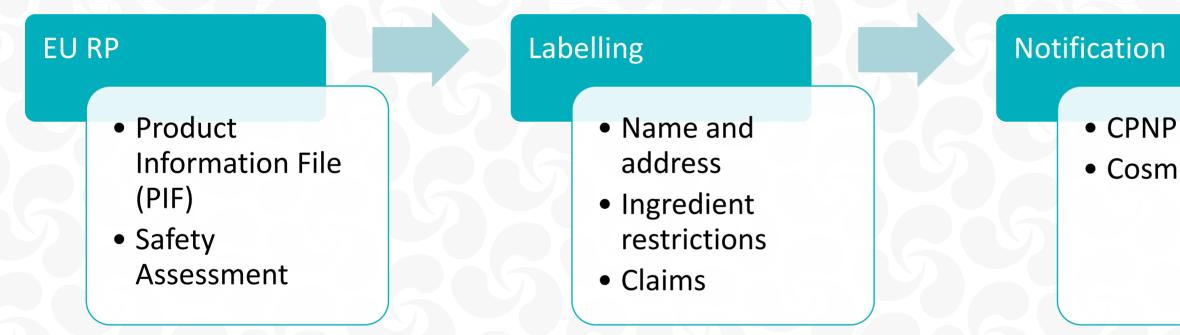

•"Making available on the market" means any supply of a cosmetic product for distribution, consumption or use in the internal market in the course of a commercial activity, whether in return for payment or free of charge.

EU BLUE GUIDE:

The interpretation of 'placing on the market' as related to products originating from a third country is generally recognised as the time in which a product has cleared customs and is introduced into free circulation.
