## EXHIBITIONS AND EVENTS REPORT

DECEMBER 2020

News that Bologna has been postponed again probably comes as a relief to most of us. Even the new date in late May is uncertain with a second proposal for September more likely. This is a very important exhibition for many of us, especially for export business. However, we really need reliable dates for next year to start the planning process for all exhibitions and who, of course, can predict the future at this stage?

Martyn Wady has revised the Events Calendar split into regions as attached. We hope this is helpful.

The Exhibitions Subcommittee continues to meet regularly on your behalf, and we are continually reviewing the situation.

### **Spa Life International 24-25 November 2020**

Spa Life International held their first UK Virtual Convention on 24th - 25th November 2020. It was hailed a resounding success by all who attended with a platform that was intuitive, user friendly and easy to navigate. The organisers, Andrew Hammond and Mike Fitch took time before the event to take sponsors and suppliers on a grand tour of the platform, giving

everyone the opportunity to practice before the big day. So right from the beginning, we all knew how it worked, had loaded up our brand information on our designated meeting tables and had practised hopping from the virtual meeting rooms to the conference theatre and back again!

The two-day event followed the same format as the physical pre-COVID-19 events that have been successfully operating for the last 10 years (just without the hangover on Day two from the party the night before!)

Day one began with a keynote speech from Michelle Zelli, giving us all fantastic advice and inspiration on how to thrive in your career and life in general in hard times. This was followed by the popular speed-networking meetings, where spa operators meet with suppliers in pre-arranged 20-minute meetings to learn about their brand/s and discuss potential opportunities for working together. Each supplier had 14 virtual meetings in total, broken up by a couple of coffee breaks and lunch. During the breaks you could click onto the more informal tables to chat and catch up with colleagues from the industry. Each informal table had up to six chairs, and it worked as a mini Zoom meeting – as soon as you clicked on a chair, you joined the zoom conversation on that table.

Day two was conference day with a programme of interesting speakers across a wide range of topics which included, amongst others:

- The Rt Hon Caroline Nokes MP on how we get the government to recognise and take the Spa industry seriously
- Adam Chatterley and Helena Grzesk on the future of the UK Spa Association as a trade body
- Valerie Delforge on The Art of Communicative Leadership in Spa
- Anastasia Achilleos on what does 'world class' mean to you and your spa team

Again, you could network and catch up with industry colleagues in between the formal conference sessions. A live chat operated throughout the two days, so you could private message someone and arrange to meet on a specific table to have a chat. There was also a live Q and A, making the conference sessions interactive with the speakers.

At the end of the conference, we all left feeling very inspired and connected to our wonderful industry and the people within it.

## **Customs and Brexit.**

**December 11th at 11.00am (webinar)**

The key points of the webinar will include:

- The need for customs declarations
- Incoterms
- VAT registration changes
- Movements to and from Northern Ireland
- Free Trade Agreements
- Customs planning

## **The Regulatory Impact of Brexit on Cosmetic Products.**

**Are you ready for 31<sup>st</sup> December 2020?**

**December 17th at 11.00am (webinar)**

As the transition period nears its end, it is vital that cosmetic and personal care companies take steps to stay compliant. Alex Fotheringham, Operations Director – Cosmetics at MSL Solution Providers, outlines the required measures to continue trading.

The UK may have made its official exit from the European Union (EU) on 31 January 2020; however, 31 December 2020 is the more important date for the €78bn EU cosmetics and personal care industry.

Although the UK is no longer part of the EU, existing EU legislation is currently still in place. This means that cosmetic products are still covered by the EU Cosmetics Regulation (1223/2009) until 31 December 2020, when the transition period expires.

At this point, all UK and EU cosmetic and personal care manufacturers and brands must be prepared for the UK to be outside of the EU regulatory framework and compliant with the future UK regulation.

## British Hairdressing Awards 2020

For the first time in its 36-year history, HJ's British Hairdressing Awards sponsored by Schwarzkopf Professional was held virtually. Live streamed on HJ's Facebook channel to a huge UK and international audience, finalists and winners joined live to hear the winners announced and interact with celebrity host, Rylan Clark-Neal.

The response to the awards has been overwhelming as it united and celebrated the industry in what has been an incredibly difficult year.

## Professional Beauty Awards

On Tuesday this week, we hosted the Professional Beauty Awards and again streamed live on Facebook with finalists joining to hear the announcements and celebrate their win. Sponsors joined virtually too as we celebrated the best salons, spa's, teams and individuals in the sector.

The Modern Barber and World Spa & Wellness Awards were also streamed on social media to celebrate the achievements of those working in these areas.

## Professional Beauty World

Professional Beauty World will virtually unite distributors, manufacturers, suppliers and salon owners from the 28th February to the 2nd March 2021. With content streams across hair, spa, beauty, aesthetics, ingredients/packaging and manufacturing, the three days will allow new connections to be made and face-to-face meetings to take place virtually.

## Professional Beauty

Plans are underway for the return of Professional Beauty on the 17th & 18th May 2021 at ExCeL London. Content streams will cover spa and salon businesses with the finalists and winners of the Professional Beauty and World Spa & Wellness Awards being hosted at a Champagne reception.

## Salon International

ExCeL London is the home of Salon International from the 16th – 18th October. Our awareness campaign has already begun and plans are being finalised for the Live show and Seminar content.

## Annual General Meeting and Summer Party 2021

As long as it is safe to do so, we are planning to run both these events in 2021. At present we have dates booked. However, should there be continued uncertainty in Q1 next year then we may have to revise the dates.

## Annual General Meeting 2021. (Currently May 7-9 2021. May be postponed)

The Association's 93rd AGM will be held at the fabulous Bonham Hotel in Edinburgh on May 7th-9th. The hotel is situated in a quiet leafy crescent in the exclusive West End of Edinburgh. The weekend offers unique networking opportunities, an inspiring business speaker, and also a chance to look around the historical city itself.

After a sumptuous dinner in the Hotel's award-winning restaurant on the Friday evening, the AGM itself will take place on the morning of 8th May. This will be followed by a business speaker and in the afternoon, we have arranged for a walking tour of the old town which is aimed to be both light-hearted and informative. The Saturday night dinner will be in the town and is always a highlight of the AGM weekend. Further details about the AGM weekend will be sent out in due course.

### **Summer Party 2021. July 5 2021**

The annual Summer Party is a firm favourite amongst HBSA members. We were planning to hold the event at the Stationers' Hall in Central London in 2021 on July 5th. However, we have just been informed that the venue has decided to bring their planned refurbishment work forward in the year, so we are currently looking at alternative venues. Please keep July 5th in your diary for now, and we will confirm the 2021 details as soon as they have been agreed.
